Directions PL2 3DQ

Take the M5 to the South West and at the end of the motorway continue onto the A38 (The ground is well signposted from the outskirts of Plymouth on the A38). On going into Plymouth, turn left onto the A386 (towards Plymouth). When this road splits into two, keep on the left hand side (sign posted Plymouth) and after about a mile you will see the ground on your left. The ground is well signposted 'Plymouth Argyle Home Park' on the way into Plymouth.

Visitors on match-days can use the car park on Outland Road (adjacent to Home Park) free of charge.

The car park is normally full by 2.30pm on matchdays.

243 miles approx 4hours 30mins

Pubs

Probably the best bet is the Britannia which is a sizeable Wetherspoons outlet and around a 10 minute walk away from the ground (from the car park outside the football ground, turn left and the pub is down the road on the right hand corner).....

For most matches the pub which is busy normally, has a queue of fans waiting to get in outside, but this is controlled by the security staff, so you don't normally have to wait too long to gain entrance. Although away fan friendly, the pub doesn't tolerate away supporters singing their clubs songs and any who do are quickly ejected from the premises, so you have been warned. Near to the pub is normally a van selling pasties. Opposite the Britannia is the Embassy Club which is best avoided by away fans.

By Train

Plymouth railway station is about one and a half miles away from the ground. As you come out of the station turn right and down the hill and under the railway bridge. Just keep walking straight along this road and you will eventually come to the ground on your right.

Alternatively turn right into Ford Park Road, at the closed Pennycomequick pub/ roundabout just downhill from the station and then take the 2nd left into Holdsworth Street, which will lead you up a steep hill into Central Park, where you'll see the ground as soon as you reach the top of the hill.

Train takes 5-6 hours. Off Peak return £102.40 You cannot get back the same night Please check the cost and times of trains etc. All information is provided in good faith but the Foxes Trust cannot be held responsible for any errors.
